I. RECOGNITION

The City acknowledges the California League of City Employees Associations as the recognized employee organization representing the employees in the Tulare City Professional and Clerical, and Tulare City Non-Management bargaining units.

II. PURPOSE

It is the purpose of this Memorandum of Understanding, entered into pursuant to the Meyers-Miliias-Brown Act of the California Government Code, Sections 3500 through 3510, to promote and provide for harmonious relations, cooperation and understanding between the City and the employees covered herein, to provide for an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum and to set forth the understandings of the parties reached as a result of good faith bargaining.

The articles and provisions contained herein constitute a bilateral and binding Agreement by and between the City of Tulare and the California League of City Employees Associations (CLOCEA) upon ratification by the membership of CLOCEA and the Tulare City Council.

III. NON-DISCRIMINATION

The City agrees to act pursuant to section 3502 of the Government Code relative to employee rights to representation. No employee shall be intimidated, coerced, restrained or unlawfully discriminated against because of the exercise of these rights. The provisions of the Memorandum shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, age, sex, national origin, political or religious affiliation.

IV. MAINTENANCE OF BENEFITS

The City and CLOCEA agree to Meet & Confer within 30 days regarding any changes to employees terms and conditions of employment which are within the scope of bargaining, and which changes are beyond the control of the City.

Except as provided or noted herein, all rights and all benefits presently experienced by employees within the jurisdiction of the MOU shall remain in full force and effect during the term of this agreement unless modified by a signed agreement between the parties and/or until a new MOU is agreed upon.

The City of Tulare and CLOCEA have met and conferred on the following Administrative Policies: Military Service Credit, Employment of Relatives, and agree to meet and discuss a Computer Use Policy.

V. CITY AUTHORITY

The City shall retain all legal or inherent exclusive City rights with respect to matters of general legislative or management policy, which include, among others: The exclusive right to determine the mission of its constituent departments, commissions and boards, set standards of service; determine the procedures and standards of selection for employment; direct employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel of which governmental operations are to be concluded; take all necessary actions to carry out its mission in emergencies and exercise complete control and discretion over its organization and the technology for performing its work.

The Union and its members, officers and representatives agree that they will not cause or condone any strike, slow down, or sick-out during the term of this Agreement.

VI. CATEGORIES OF APPOINTMENT

Employment in a municipal service is divided into the following categories:

1. Regular

Regular employees are those who have been appointed to an authorized position in the employee compensation plan having a monthly salary and who have successfully completed a probationary period.

2. Probationary

Probationary employees are those who have been through the regular examining process, have been appointed to an authorized position in the employee compensation plan having a monthly salary, but who have not yet completed the probationary period.

3. Regular Part Time

Regular part time employees are those that have been appointed to an authorized position in the employee compensation plan having a monthly salary with an hourly equivalent who work at least twenty (20) hours, but less than a standard forty (40) hour work week throughout the entire year, and who have successfully completed a probationary period. Regular part time employees shall receive all employee benefits in a manner proportional to the number of hours worked each week and the standard forty (40) hour work week, to include accrued hours for vacation, sick time, and holidays. Medical benefits provided for the employee will be at a shared expense proportional to the normal assigned budgeted work schedule of the employee (i.e. an employee working twenty [20] hours per week shall be responsible for 50 per cent of the employee share of the employee medical premium). Regular part time employees hired prior to October 1, 2005 are grandfathered from paying a portion of the employee medical premium.

4. Seasonal Part Time

Seasonal part time employees are those hired in a position expected to last less than a full year and/or paid on a hourly basis. Unless hourly rates are listed for specific seasonal employees by job titles on the employee compensation plan, they shall be compensated a hourly rate equivalent to the applicable salary range and step. Seasonal employees do not receive regular employee benefits and may be suspended, demoted, or terminated any time by the department head without cause and without recourse to the appeal procedure. Not considered unit members.

5. Temporary

Temporary employees are those hired through the regular examining process who have been appointed to a position which is not authorized in the annual budget as approved by the City Council. Continuation of employment after a period customarily designated as a probationary period is entirely dependent upon the availability of funds for the temporary position. Not considered unit members.

VII. EMPLOYEE RIGHT TO REPRESENTATION

Any regular employee has the right to representation by a person of his/her choice at a proposed disciplinary proceeding and at meetings that may have a negative impact on the employee's relationship with the City of Tulare. If such a meeting is set, the employee shall be notified of same and of their rights under this section.

VIII. UNIT MEMBERSHIP

The City shall provide the Union, in writing, at the union's request, a list of all employees subject to this Memorandum of Understanding, of such employee's name, address, class title and department. The list shall consist of all employees that are members and/or are eligible to be members of the bargaining unit.

IX. AVAILABILITY OF RULES AND REGULATIONS

It shall continue to be the policy of the City to provide at least one current copy of Resolution No. 2537 (Rules and Regulations for the Administration of the City of Tulare Merit Personnel System) and a copy of this MOU at each departmental or divisional office. A copy of both documents shall be available and may be loaned to any employee who so requests. At these same locations, the City shall post information regarding job openings including promotional opportunities.

X. WORK ACCESS AND EMPLOYEE INFORMATION

Union Representatives (non-employees) may have access to non-public city work locations when approved by the Personnel Officer. A reasonable number of locations for posting employee

information shall be made available by the City. Copies of materials to be posted shall be sent to the Personnel Officer .in advance of posting.

XI. NOTICE OF CHANGE OF WORK RULES

When the city finds it necessary to take action which may be contrary to provisions of the MOU, the union will be invited to a meeting to discuss the issues, on an urgency basis. Failure of the union to meet within a reasonable time relieves the city of the responsibility to meet before taking action under this section.

XII. UNION SECURITY

The City will deduct Union membership dues from the payroll warrant of each employee who has submitted a payroll deduction authorization and such dues deductions shall be remitted to the Union with an itemized statement.

The union shall keep the City currently informed as to the amount of dues to be deducted and such notification shall be certified to the City in writing over a signature of authorized officers or representatives of the Union.

The changes in the Union membership dues shall be certified to the City at least one (1) month in advance of the effective date of such changes and the City shall have no responsibility for the collection of fees, assessments or other deductions unless such deductions are certified to the City as prescribed at least thirty (30) days in advance of the pay day upon which such deduction is to be made.

An employee may revoke his/her prior dues deduction authorization only upon a written request to the City Finance Office during the first fifteen (15) calendar days in the month of June. Dues revocation forms will be available in the City Finance Office.

The Union shall indemnify, defend and hold the City harmless against all claims, demands, expenses, judgments or other liabilities on account of dues collected by the City and paid to the Union.

The Union agrees to refund to the City any amounts paid to it in error upon presentation of proper evidence thereof.

XIII. SALARY

This Agreement provides for employees assuming a portion of what is known as the "Employer share" of contributions to CalPERS. That amount is 1% each year of the Agreement for a total of 3% over the life of the Agreement. The law requires, however, that affected employees vote each year on the issue of such payments to CalPERS.

Should employees vote to negate such payments at any time during the term of the Agreement, all affected employees wages will be reduced in an amount equal to the discontinued payments and the two changes shall be effected simultaneously.

XVIII. COMPENSATION AND HOURS

A. APPLICATION OF SALARY RANGES AND RATES

1. Appointment

2. Promotion

Any employee receiving a promotion shall start at the first step of the salary range of the class to which he/she is promoted and be eligible for merit increases as elsewhere provided, unless his/her present salary is equal to or exceeds the first step of the class to which he/she is promoted. In that event, the employee shall be assigned to the step in the salary range to which he/she is promoted that is the equivalent of approximately a five per cent (5%), and not to be less than four percent (4%), increase in salary.

When the promotion includes the assignment of the responsibility for supervision over others, the salary level shall be increased by assigning the promoted employee to a higher step within the salary range to allow his/her annual salary to be above the salary of those he/she supervises.

3. Transfer

Any employee transferred to a position which has a different job classification title shall assume the salary range appropriate for his/her new classification. The salary step shall be appropriate as provided in (1 - Appointment) above.

B. STANDARD WORK PERIODS

The standard work period for city employees shall be as follows:

Those employees whose job classification places them in the miscellaneous group of employees shall work forty (40) hours in a standard work week of seven consecutive days.

The designated work week for miscellaneous employees on a standard work week schedule shall commence at 12:01 a.m. on Saturday and run through midnight on the following Friday; except that the work week for employees of the Library Division shall commence at 12:01 a.m. on Monday and run through midnight on Sunday.

C. EXCEPTIONS TO STANDARD WORK PERIODS

1. The procedure for making adjustments in the standard work period in hours shall be consistent with provisions of Section 3504.5 of the Government Code.
2. Schedules for miscellaneous employees, other than those on a standard work week, shall be posted at least ten (10) calendar days prior to implementation, except in an emergency when notice shall be given as soon as possible.
3. **Modification of Shifts, Schedules and Working Hours – Street, Water Sewer Division, Parks, Storm Drain, Library**

Effective July 1, 1992, the city has the flexibility in the assignment of certain personnel to modify work shifts after proper notification is provided to the affected employees. Proper notification is defined as being in writing and provided at least seven (7) calendar days in advance of any change. This provision shall apply to new hires and shall be applicable to employees hired in the Street and Water Divisions. Any flexibility in shifts shall be to fix a shift within the hours of 7:00 a.m. and 5:00 p.m. In addition, the city has flexibility to schedule breaks and lunches of bargaining unit members to ensure availability of services.

From the May 1 until September 30th employees working in the Water, Streets, Parks, Sewer Division, and Storm Drain shall be allowed to work the hours of 6:00 am to 2:30 pm. During all other times the hours shall be 7:00 am to 3:30 pm with the exception of coverage that is required until

5:00 pm each work day. No posting notice is required to the employees for implementation of "summer hours".

At the recommendation of the Library Directory/Manager the library staff hours shall be either an eight or ten (10) hour shift schedule.

D. OVERTIME POLICY: DEFINITION

It is the policy of the City of Tulare that overtime work be kept to the minimum consistent with the protection of life, property and the efficient operation of the departments and activities of the city, and that overtime work be compensated with time off where practical. Overtime shall be worked only with the prior authorization of the department head or, in emergencies where prior department head authorization cannot be issued, first line supervisors may approve overtime. Overtime work for all eligible employees, shall be defined as any time worked beyond forty (40) hours in a standard work week. The use of sick leave, vacation, floating holidays, birthday or comp time shall not be included in the definition of time worked.

E. OVERTIME COMPENSATION

Compensation for overtime, where practical, shall be compensated for by compensatory time off. Wherever working overtime is optional, the city shall reserve the right to determine method of payment, i.e. compensatory off or cash. Where working overtime is mandatory, the method of payment shall be at the option of the affected employee. The use of compensatory time shall be by request of the affected employee and with official city approval. At no time may any employee accumulate more than 120 hours of compensatory time off. An employee who fails to report within thirty (30) minutes a second time, within a six (6) month period, shall be subject to discipline in accordance with Chapter 10, beginning with Section 1001, of these Personnel Rules and Regulations. In addition, at the discretion of the department head, those employees who fail to respond within thirty (30) minutes on two or more occasions within a six (6) month period, may be declared ineligible for stand-by compensation.

1. Employees in the Water, Street, Sewer, Parks, Code Enforcement, Animal Services and Fleet Maintenance Divisions who remain on stand-by for the week (8:00 a.m. Friday to 8:00 a.m. Friday) shall be compensated at the rate of two (2) hours of pay per day of stand-by. No such employee shall receive less than \$160.00 per week of stand-by duty. Any employee serving stand-by for less than the full week shall receive two (2) hours of pay per day or \$23.00 per day, whichever is greater. If, for some reason, an employee cannot complete a full day's shift of stand-by and another employee is brought in to complete the day, the two (2) hours, or \$23.00, will be prorated accordingly. Each time an individual is called back to work while on stand-by, he/she shall be compensated by one and one-half times for actual hours worked with a minimum pay for one (1) hour.
